RE: AB 167
Strong Support

Dear Chairman Hansen and Assembly Judiciary Committee,

The Nevada Firearms Coalition is in strong support of AB 167. Citizens should not be denied the opportunity to be participants in the foster care program because they own firearms. Safe storage and security from unauthorized and at risk persons is the critical component of firearms safety in the home and this bill adequately addresses these issues.

The Nevada Firearms Coalition is dedicated to the safe use of firearms for self-defense, competition, recreation and hunting. We are the statewide Nevada grassroots organization representing the firearms owners of Nevada. Our membership includes individuals, gun clubs, community organizations, and retail firearm corporations and ranges. We are the State Association for the National Rifle Association, and a member of the National Shooting Sports Foundation, USA Shooting and the Civilian Marksman Program.

Sincerely,

Don Turner, President
