President, Nevada Sheriff's and Chief's Association
30 Nevin Way
Yerington, NV 89447

Dear Sheriff Veil,

Due to the recent real and perceived attacks on our Bill of Rights at the national level, and proposed attacks at the state and local levels, many sheriffs and sheriff associations have written letters to their congressional delegations stating their position of support for the Constitution and specifically the Bill of Rights, such as was recently sent by the Utah Sheriff's Association.

We as the association of firearms owners in the State of Nevada are respectfully asking that you as an association follow the example of Sheriff Kilgore (Humboldt County), Sheriff Trotter (Churchill County) and Sheriff DeMeo (Nye County) and formally support the US Constitution and the Constitution of the State of Nevada by sending a letter declaring this support to the members of our Congressional Delegation and to the Legislature of the State of Nevada.

We do not think this letter is contrary to any of your beliefs and positions as you have all taken an oath to support and defend the Constitution against all enemies foreign and domestic. Basically this letter will be an affirmation of your oath of office and a declaration to the citizens of Nevada that you will honor that oath and defend their rights.

We will be pleased to forward your response to our members and the firearms community in Nevada

Sincerely,

Don Turner, President
