RE: SB 76 Concealed Firearms, all handguns in one permit

Dear Governor Sandoval,

The Nevada Firearms Coalition is dedicated to the safe use of firearms for self-defense, competition, recreation and hunting. We are a Nevada grassroots organization representing the firearms owners of Nevada. We are the State Association for the National Rifle Association, and a member of the National Shooting Sports Foundation.

We are requesting that you sign SB76 into law for the following reasons:

Under the current statute, Concealed Firearms Permit (CFP) holders must qualify with a revolver and then qualify again with a semi-automatic pistol in order to carry both handguns. This is an additional expense to the citizen as they must pay for an instructor, range time and additional ammunition. A driver's license allows a licensed driver to drive any type of automobile regardless if it is a stick shift or an automatic transmission. The same philosophy of law should apply to this program.

This bill goes a long way to streamlining the CFP process and makes applying for a CFP less burdensome to the citizens of Nevada.

SB76 passed from the Senate unanimously and received a very little opposition in the Assembly.

Thank you for your consideration.

Sincerely,
