Senator David Parks
Chair, Committee on Government Affairs

RE: SB 18, National Guard

Dear Senator Parks,

The Nevada Firearms Coalition (NVFAC) is dedicated to the safe use of firearms for self-defense, competition, recreation and hunting. We are a Nevada grassroots organization representing the firearms owners of Nevada. We are the State Association for the National Rifle Association, and a member of the National Shooting Sports Foundation.

SB 18 as it pertains to NVFAC is basically a name change, substituting the name of the Nevada Firearms Coalition in place of the now-defunct Nevada State Rifle and Pistol Association (NSRPA). The NSRPA was the former NRA state affiliate organization which went defunct in 2007. The NVFAC took its place on its chartering in 2011. The NVFAC now responds to all instances in state code and regulation where the NSRPA was cited.

The Nevada Firearms Coalition strongly supports this bill, and will appreciate any action you can take to speed its passage.

Sincerely yours,
